**PERRINE DUPONT MEDICAL MONITORING PROGRAM**

**SECOND ROUND OF MEDICAL MONITORING ACTIVE<sup>1</sup> CLAIMANT  
RECRUITMENT AND OUTREACH PLAN**

**I. Strike One**

CTIA	Claims Administrator
<p>A. Calls active claimants to make appointment.</p> <p>B. Sends follow up letters to active claimant (only one letter per claimant):</p> <ol style="list-style-type: none"> <li>1. Confirm scheduled appointments or that the claimant will schedule: or</li> <li>2. Follow up a voice mail message (Placed on Strike Two call list if no appointment is scheduled); or</li> <li>3. Follow up a bad phone number with a "No Contact" letter<sup>2</sup> (Placed on Strike Two call list if no appointment is scheduled).</li> </ol> <p>C. Sends the Claims Administrator periodic lists of the active claimants that are now deceased, have bad contact information, or decline participation in Round Two (see Strike Two below).</p>	<p>Researches bad numbers and addresses, verifies current contact information and provides to CTIA. (This is done throughout the process.)</p>

**II. Strike Two**

CTIA	Claims Administrator
<p>A. Calls active claimants who did not schedule an appointment during the Strike One calls, or who did not state that they do not plan to participate.</p> <p>B. Sends follow up letters as described in Strike One.</p>	<p>Makes an outreach call to active claimants who told CTIA that they do not plan to participate, to explain the consequences, which counts as a second strike (with one of the following 3 results):.</p> <ol style="list-style-type: none"> <li>A. Active claimants that affirmatively confirm their desire to become inactive ("Hard No Claimants"), will be put on the list of claimants not participating in Round Two and will not receive any additional phone calls for Round Two: or</li> <li>B. Active claimants that are unsure about opting-out of Round Two or if the active claimant's objections or concerns can be addressed ("Soft No Claimants"), will be placed on CTIA's Third Strike Call List: or</li> <li>C. Active claimants changing their mind and wishing to participate are asked to call CTIA and placed on CTIA's Third Strike Call List.</li> </ol>

<sup>1</sup> Claimants who checked the YES box in registering for Medical Monitoring.

<sup>2</sup> Confirms that CTIA was unable to reach the active claimant and asks the active claimant to contact CTIA.

**III. Strike Three**

<b>CTIA</b>	<b>Claims Administrator</b>
Same as Strike Two, including calls to those claimants added back to CTIA's Third Strike Call List through Parts B and C of Claims Administrator's functions under Strike Two.	Same as Strike Two, unless the claimant has already been called three times, in which case the claimant will not be called again.

**IV. Town Meeting**

After completion of the direct contact and outreach procedures above, there will be a town meeting for active claimants who have not scheduled an appointment and are not Hard No Claimants. Many of these claimants will be those who could not be reached due to bad phone numbers or addresses. The meeting will be held in concert with a remediation meeting to minimize expenses and will be noticed in the local paper. The purpose of the town meeting will be to describe the Round Two Medical Monitoring procedures, explain the claimants' rights and consequences of not participating in Round Two, and answer any questions claimants may have.
