Presently pending before the Court are the following documents that are proposed for use during the administration of the Perrine DuPont Settlement ("Settlement") by the Claims Administrator:

- (a) A Protective Order which shall protect all confidential information collected from Medical Monitoring Class Members and Property Remediation Class Members during the Administration of the Settlement (Exhibit A); and

Next, the Court has reviewed the Confidentiality Agreement, which shall be executed by each individual who may come into contact with Class Members' confidential information during the administration of the Settlement. The Court approves of the language and effect of the Confidentiality Agreement, and hereby **ORDERS** that the Confidentiality Agreement shall be used during the administration of the Settlement. Further, the Court **ORDERS** that each individual who will come into contact with confidential information during the administration of the Settlement shall execute a Confidentiality Agreement and return the same to the Claims Administrator, who shall keep each executed Confidentiality Agreement at the Settlement Claims Office.

Lastly, pursuant to Rule 54(b) of the West Virginia Rules of Civil Procedure, the Court directs entry of this Order as a Final Order as to the claims and issues above upon an express determination that there is no just reason for delay and upon an express direction for the entry of judgment.
